TERMS OF SALE

1. This sale is a public auction sale conducted by licensed and bonded auctioneers.
2. All coins and medals offered in this catalogue are guaranteed to be genuine and as described.
3. **No Commission will be charged for executing Bids.** Bidders must pay all Postage, Express and Insurance charges. These bids will be treated as your limit for each lot. In general, we start the bidding on each lot at a small advance over the next highest bid, thereby attempting to purchase the lot as reasonably as possible for you.
4. We cannot be responsible for any errors in bidding. Please make certain you bid on the correct lot.
5. When identical bids are submitted, preference is given to the first received. We therefore urge you to **mail your bid sheet early.**
6. Coins, Medals, etc., are sold so much per LOT, unless otherwise stated. No lots will be broken up.
7. All claims for adjustments must be made in writing within 7 days after the delivery of the goods. All lots shipped remain the property of STACK'S until paid for in full. It is the buyer's responsibility, and obligation, to have the lots fully insured while in his possession. Risk of loss is on the buyer. **No lots may be returned without our written permission.**
8. The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be immediately put up and sold again. No lots will be put up out of their numerical order. The auctioneer reserves the right to refuse any bid he feels is not made in good faith.
9. Unknown bidders must establish credit references or deposit 25% of their bids. Corporate bids must be accompanied by personal signature. We cannot accept bids from minors.
10. Auction Sales are strictly for cash and must be paid for promptly in U. S. funds. All bidders guarantee prompt payment. Personal checks are acceptable with proper identification.
11. All lots delivered in New York State are subject to applicable Sales Tax.
12. ANY LOTS PURCHASED BY FLOOR BUYERS MAY NOT BE RETURNED.

It's easy to bid by mail . . .

1. **Check the sale catalogue against your collection for lots that you can use.**
2. **Note the lot numbers, and the prices you would pay, on the bid sheet. You will get them for less if competition permits.**
3. **Mail your bids early. It is to your advantage.**

We do the rest. Your bids will be entered in a competitive 'bid book'. The highest bid for any lot gets it, at just slightly above the next lower bid. In case of equal bids, the first received takes the lot.

During the week following the sale date, all your lots will be forwarded together with invoice if credit has been established with us, or paid for in full.

You are completely protected by our unconditional guarantee.

MODERN FOREIGN GOLD COINS

The consignments of modern gold coins that follow are quite outstanding. They are all Brilliant Proofs, or in Brilliant Uncirculated condition. Most are in their original cases or folders of issue. The groups together make one of the most comprehensive offerings of modern gold to appear at Auction in some time. The British Commonwealth countries in the West Indies and the Far East, as well as recent African and older Central American countries are well represented.

It is frequently overlooked that, under present conditions, modern gold and silver issues deserve more attention than they often receive. Apart from the superb quality of the pieces, the high gold and silver content and limitation of each issue, makes these coins the rarities of the future. It also seems probable that they will be found to be much scarcer than the production records indicate. The impact of the rising value of precious metals will undoubtedly cause many to be destroyed. For this reason alone they merit the attention of the serious collector.

COLONIAL COINS

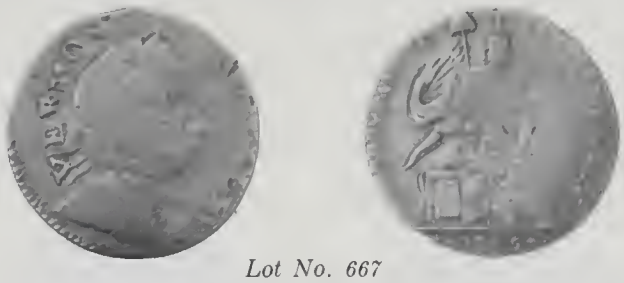
A LOVELY PINE TREE SHILLING

Lot No. 666

666 **1652 Pine Tree Shilling.** Noe 4. Large planchet. Die flaws to the left of date and above M on the reverse. Strictly Very Fine, sharply struck, small clip at right with attending weakness in the area. Superb natural pale steel toning.

Vermont Coinage

THE VERY RARE IMMUNE COLUMBIA REVERSE



Lot No. 667

667 **1785** Ryder 1. **The Immune Columbia Reverse.** An excellent example of this very rare type. The dies used to strike this coin were larger than the planchets, hence all known specimens have part of the inscription missing. This example is remarkable in that it has a **FULL DATE** and **COLUMBIA,** and only the very tops of IMMUNE are off the planchet. Strictly Very Fine or perhaps a good deal better (since all were so crudely struck). Struck on a blemish-free planchet and a glossy light chocolate. Probably in the Condition Census!

Lot No. 668

668 **1785** Ryder 4. The very scarce VERMONTIS variety. Some minor planchet flakes near RES, otherwise fully struck with complete legends. Strictly Very Fine and choice.

Massachusetts Coinage

674 **25c.** 1896'S' Strictly Very Good with most of "LIBERTY" visible without magnification. Rare.

A SPLENDID OFFERING OF THE 1877 PATTERN HALF DOLLARS FROM THE CELEBRATED DR. J. HEWITT JUDD COLLECTION

They are for the most part illustrated in the book entitled, "An Illustrated History of United States Coinage" by Abe Kosoff, 1962. Without question, more patterns were made in 1877; however, as a group they are the rarest of any struck in any other year.

Lot No. 714

714 **1877 J. 1506.** Obverse: George T. Morgan's design of the head of Liberty as it appeared on the regular issue of Morgan Dollars the following year. Reverse: Small eagle on shield; around shield, on a band, is IN GOD WE TRUST in **incused** letters; UNITED STATES OF AMERICA HALF DOLLAR around. **Silver.** Reeded edge. Brilliant Proof, the centers a trifle weak. The **plate coin** in Judd's book on Patterns. Illustrated as well in the book mentioned above, identified as #495. Rarity 7.

Lot No. 715

715 **1877 J. 1512.** Obverse: The George T. Morgan design, with head as adopted in 1878 for Silver Dollars, surrounded by a ring of dots, with E PLURIBUS UNUM 1877 and thirteen stars around border. Reverse: A defiant eagle standing on a tablet incused with "IN GOD WE TRUST"; UNITED STATES OF AMERICA HALF DOLLAR around. **Silver.** Reeded edge. Brilliant Proof and superb. The Judd **plate coin** and also identified as #498 in the book listed above. Rarity 7.

Note: The style of eagle was used in a slightly modified form on the reverse of the 1915 Panama-Pacific Quarter Eagle.

Lot No. 716

716 **1877 J. 1514.** Obverse: Similar to J. 1512 described above. Reverse: Eagle seated on scroll inscribed with "IN GOD WE TRUST"; UNITED STATES OF AMERICA HALF DOLLAR around. The wings fully spread and raised, in fact, into the legend. **Silver.** Reeded edge. Brilliant Proof and superb, with exquisite pale golden toning. The Judd **plate coin** and the reverse illustrated in the above-mentioned book, identified as #499. Rarity 7.

Lot No. 717

717 **1877 J. 1519.** Obverse: Similar to J. 1514 described above. Reverse: Eagle on shield with Motto on pleated scroll above, surrounded by a wreath. UNITED STATES OF AMERICA HALF DOLLAR around. **Copper.** Reeded edge. Brilliant Proof, mint color, with a couple of light stains. The Judd **plate coin.** Item #501 in the book noted above. Rarity 7.

Lot No. 718

718 **1877 J. 1526.** Obverse: William Barber's helmeted head displaying a small defiant eagle. Reverse: Small eagle in heraldic pose on a shield around which is a band ornamented with scroll work and divided into four sections with the inscription IN GOD / WE TRUST / E PLURIBUS / UNUM in Gothic letters; UNITED STATES OF AMERICA HALF DOLLAR around. Without a doubt one of the most ornate reverses ever used on a pattern. **Silver.** Reeded edge. Brilliant Proof and superb. The Judd **plate coin** and also illustrated and described as #504 in the book noted above. Rarity 7.

Lot No. 719

719 **1877 J. 1536.** Obverse: Large head of Liberty with LIBERTY in raised letters on the diadem. Reverse: Heraldic Eagle; E PLURIBUS UNUM above; UNITED STATES OF AMERICA HALF DOLLAR around. **Copper.** Reeded edge. Proof, formerly cleaned, now toning nicely. The Judd **plate coin.** Rarity 7.

Lot No. 720

720 **1877 J. 1539.** Obverse: Head of Liberty wearing a soft cap with LIBERTY incused on the band. Reverse: Eagle standing on a base inscribed "E PLURIBUS UNUM" supporting a shield with the left talon; UNITED STATES OF AMERICA HALF DOLLAR around. **Copper.** Reeded edge. Brilliant Proof, mint color turning iridescent. The Judd **plate coin,** correctly listed in Judd; but a typographical error in Kosoff's book where it is listed under item #509 as Judd 1538 (obverse only illustrated). Actually it is item #510 in that book. Rarity 8.
